

## Press Release

---

Madrid, 13th April 2016

### ECIJA is ranked as Top Tier Spanish firm by Legal 500

**The prestigious international ranking has placed again ECIJA as Top Tier firm in TMT and recognizes its leadership in other 3 practice areas.**

Legal 500 has again reaffirmed in this 2016 Edition ECIJA leadership as the first firm in TMT law (Technology, Media & Telecoms.) in the Spanish market. While specializing particularly in the TMT industries, ECIJA has been recommended in Legal 500 for over 4 practice areas.

#### TOP TIER in TMT

##### ECIJA

Baker & McKenzie  
Bird & Bird  
Úria Menéndez

#### LEADING FIRM

IP  
Corporate / M&A  
Litigation / Dispute  
Resolution

Legal 500 also recognizes *Hugo Ecija* as **leading individual in TMT**, and highlights several professionals recommended by their **'excellent service' and 'deep knowledge of the technicalities of the sector'**, such as **Alejandro Touriño** for his impressive client portfolio, and **Alonso Hurtado**, recommended for his 'great capacity to understand complicated matters'.

The publication also stands out the strategy of **Javier López** acting as British Telecom lawyer in several proceedings before local courts and arbitration bodies, as well as the outstanding work of **Hugo Écija, Juan Salmerón and Carlos Pérez**, "key names" in the sector, and the **Corporate** team, which "has developed a strong niche in corporate media and advertising matters".

Again, thanks to the outstanding team of professionals who are part of the Firm and its commitment to its customers, ECIJA is recognized as leading firm in the Spanish market at the forefront of legal innovation.
