

Press release

Madrid, 16th April 2018

ECIJA consolidates as leading Law Firm in Technology, Media and Telecommunications in the latest edition of Legal 500.

For the eighth year in a row, the prestigious international ranking Legal 500 has placed ECIJA as the leading full service firm in Spain in TMT, and among the best firms in the market in four practice areas.

Legal 500, one of the leading international rankings of the legal sector, has published its new edition 2018 placing ECIJA in **the top tier in TMT Law** (Technology, Media and Telecommunications) of the Spanish market and reinforcing its outstanding position in Intellectual Property, Corporate, M&A, Commercial and Dispute Resolution.

Likewise, Legal 500 places **Hugo Écija** (founder and president of the Firm) and **Alejandro Touriño** (managing partner) as "**leading individuals**" of the market. The publication also recognizes various professionals of the firm among the best lawyers in the Spanish market. This is the case of **Carlos Pérez, Juan Salmerón, Emilio Prieto, Gabriel Nadal, Ricardo Oliveras, Javier López and Jordi Pujante**, partners of the Firm who are in the top positions in their respective practice areas.
