

About the Deal

Ecija advised agricultural sector giant Rainbow Agro on its purchase of 100% of the share capital of agrochemical company Exclusivas Sarabia.

Founded in China in 2005, the Rainbow Agro group specialises in the production, marketing and distribution of crop protection products. It has spread its footprint to 80 countries across five continents and boasted a turnover of more than \$1.5 billion dollars in 2021.

Exclusivas Sarabia is a Spanish firm with a focus on the manufacturing and marketing of phytosanitary and nutritional products for large clients in the agricultural sector, as well as consumer-level products for orchards and gardens. Its portfolio includes insecticides, fungicides, herbicides and fertilisers.

Ecija advised Rainbow Agro with a team comprising partners Gabriel Nadal and Maite Mascaró, based in its Barcelona office.
