

## ECIJA represents Dawn Capital in Onum's \$28 million Series A funding round

### ECIJA represents Dawn Capital, Europe's leading specialist B2B software investor, in the \$28 million Series A financing of Onum.

Onum, founded in 2022, helps companies extract more value from their data while lowering costs.

The round was led by Dawn Capital with participation from Insight Partners and Kibo Ventures.

Onum plans to use the fresh funding to accelerate product development, hire more talent and launch in the US.

The ECIJA transaction team was led by corporate partner Emilio Prieto and included senior associate Ana Mateos and associate Jorge Martín.
